Over the past few weeks we here at MTSA have watched with a great deal of excitement as progress has moved forward at a rapid pace on the construction of the new classroom, and renovation of the former dorm (now fondly known as the Annex) which MTSA recently purchased. The pictures here that Karin, Pam and Debbie took will give you a feel for what is happening with the classroom construction.

None of us seems to mind the construction noise, changes and "general mess". We are just so delighted to be part of the realization of these long awaited plans and dreams.

As to the Annex – plans are to move the library into the beautiful new area (complete with stone fireplace), in early November. Amy Gideon, MTSA librarian will have a new office in the Annex, also. The state-of-the-art Computer Lab is also near completion, and ready to be utilized by students and others as needed.

At least three other offices will be ready at that time for occupancy; thus, freeing up space in the current building for the planned Simulation Lab and additional much needed office space.

We would be delighted to have you all come for a tour and visit.

~Jane Pennington, Associate Vice President

2005 TANA CONFERENCE

Once again this year, in conjunction with the annual TANA conference, MTSA hosted an alumni/student dinner. Our founder, Bernard Bowen, joined us in welcoming a number of alumni, students, friends and family members at the Old Spaghetti Factory in beautiful downtown Nashville. A great time was shared by all. **Please plan to join us for the event in 2006 during the October TANA Conference.** Watch for details in future AIRWAYS announcements.

I am also trying to get my hands on a picture of our illustrious Dean, Ikey DeVasher, during her tenure as a Judge for the College Bowl held on Saturday evening at the TANA Conference. She made her appearance, to the delight of all, in full academic regalia including MTSA robe and hood AND, as I understand it, a long white wig. We will do our best to obtain a picture for all to see!

And, finally on Sunday morning, MTSA seniors Page Peek, Matthew Arant, and Jonathan Grooms represented us well when presenting their research projects to the TANA membership.

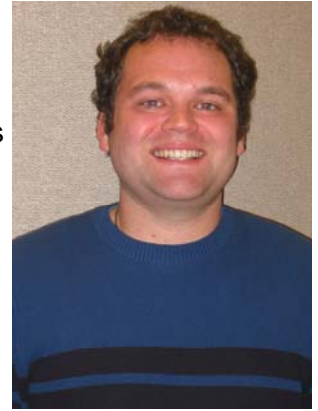

Many comments were heard regarding their topic of research and preparedness. Faculty members Dr. Lancaster, Alescia DeVasher and Amy Gideon along with Dean DeVasher were present to support our students and were all obviously very proud of the MTSA student team. Faculty member Dr. Michael Vollman also assisted the students in preparing for their presentation.

Welcome On Board!

We are happy to welcome Chris Gustin as the new MTSA Business Manager. He joins us from Knoxville, where he worked at Little Creek Sanitarium and Nursing Home. He is excited to be here and we are ecstatic to have him.

Chris is engaged to be married on January 1, 2006 to a lovely young lady named Amber. He has a black lab named Georgia, and we've already heard some adorable dog stories. His favorite hobbies are classic muscle cars and training his dog. He also enjoys movies and music.

ALUMNI BOARD UPDATE

Jane's Updates

During the most recent Alumni Board meeting, the Board passed a resolution to support the current growth of MTSA by pledging to raise \$200,000.00 from alumni sources over the next two year.

THANK YOU, THANK YOU, THANK YOU

The MTSA *Building the Future Campaign* recently received a most generous annual pledge from Dr. Netterville and the CVA group. This pledge is for \$2000 per year per doctor in the group. There are currently eight doctors with the CVA group. MTSA is most grateful for this pledge of support and for all that the CVA group does for MTSA and our students.

IN MEMORY OF OUR ALUMNI AND FRIENDS

It was with great sadness we recently learned of the death of Newell Brown (Class of 1964). A plaque is planned which will hold the name of each alumnus, student, staff or faculty member who has died since the beginning of the Middle Tennessee School of Anesthesia. MTSA has pledged \$500 annually to the *Building the Future Campaign* in memory of those individuals. Upon completion of current construction and renovation, these funds would go to the maintenance of an Endowment Fund.

Spotlight On ...

... Marcia Butler

Marcia is a senior here, and she was working at Skyline Medical Center-PACU before she came to MTSA. She is originally from Pottsville, AR. Marcia said that it was her childhood wish to become a nurse. For her most rewarding nursing experience she said, "I had the honor of sitting beside a dying (terminal) patient who had no family available. I prayed with her and held her hand as she died." What peaked her interest in anesthesia was when she had an OR rotation during nursing school. After graduation she plans on working at Skyline or Hendersonville. She has 2 German Shepherds, Lexi and Elsa. For fun, she says that

In five years from now, she sees herself spending time with her husband, playing with her grandchildren (*she doesn't look old enough to have grandchildren, trust me!*) and working on hobbies in her spare time!

... Ty Huff

Ty is a junior and is originally from Louisiana. He was working at Vanderbilt SICU and Life Flight before he came to school here this past July. Ty decided to go into the nursing profession because he wanted to be in the medical field and nursing provided the broadest hands on approach. He said that his most rewarding experience has been knowing that he has helped people young and old in their most dire need by providing emergent care. Anesthesia interested him because in his opinion it is the pinnacle of the nursing profession. He likes the advanced practice and autonomy. After he graduates he would like to work in the middle TN area, but if not, he'll be exploring options throughout the country. Ty is married to Eleanor who is an RN also, but works as a health-care consultant for GE. They have a Doberman, Sheeba and a Huskey, Dakota. For fun, Ty likes to play golf, read a lot of different books, and he's on a

In five years from now, he says he's not sure where he'll be working, but hopefully by then they'll have two children and be debt-free. When asked what he would bring on a mission trip if he were only allowed to bring 3 items, he said, "If my wife counts then I would bring her. If not, then a good book, toothbrush and toothpaste." His words of advice to his classmates are, "Be humble, listen and cipher out what will and what will not be useful to your practice."

Lost &

We are hoping that alumni can help us get updated information on their fellow alum. There is a large handful of people that we've lost track of. We can't send them newsletters or updates on the school or invitations to celebrations and we just feel awful about that! Below is the list of all the alumni we can't find. If you have any information to help us get back in touch with them, we would be eternally grateful. You can call Karin Vilanova at the school or email at Karin@mtsa.edu.
